## **4. DETAILS OF THE OFFER**

### **4.1 The Offer**

The Offer is being made as a renounceable entitlement issue of 1 Share for every 1 Share held by Shareholders registered at the Record Date at an issue price of \$0.01 per Share. Fractional entitlements will be rounded up to the nearest whole number.

Based on the capital structure of the Company as at the date of this Prospectus and assuming all Entitlements are accepted, a maximum of 238,710,493 Shares will be issued pursuant to this Offer to raise up to \$2,387,104.

As at the date of this Prospectus the Company has 26,900,000 Options on issue all of which may be exercised prior to the Record Date in order to participate in the Offer. Please refer to section 5.4 of this Prospectus for information on the exercise price and expiry date of the Options on issue.

All of the Shares offered under this Prospectus will rank equally with the Shares on issue at the date of this Prospectus. Please refer to section 6 for further information regarding the rights and liabilities attaching to the Shares.

The purpose of the Offer and the intended use of funds raised are set out in section 5.1 of this Prospectus.

### **4.2 What Eligible Shareholders may do**

The number of Shares to which Eligible Shareholders are entitled is shown on the accompanying personalised Entitlement and Acceptance Form. Eligible Shareholders may:

- (a) take up all of their Entitlement (refer to section 4.3);
- (b) sell all of their Entitlement on ASX (refer to section 4.4);
- (c) take up a proportion of their Entitlement and sell the balance on ASX (refer to section 4.5);
- (d) take up a proportion of their Entitlement and allow the balance to lapse (refer to section 4.6);
- (e) sell all or a proportion of their Entitlement other than on ASX (refer to section 4.7); or
- (f) allow all or part of their Entitlement lapse (refer to section 4.8).

### **4.3 Taking up all of your Entitlement**

Should you wish to accept all of your Entitlement, then applications for Shares under this Prospectus must be made on the Entitlement and Acceptance Form which accompanies this Prospectus or by completing a BPAY® payment, in accordance with the instructions referred to in this Prospectus and on the Entitlement and Acceptance Form. Please read the instructions carefully.

Please complete the Entitlement and Acceptance Form by filling in the details in the spaces provided and attach a cheque for the Application Monies indicated on the Entitlement and Acceptance Form.

Completed Entitlement and Acceptance Forms must be accompanied by a cheque in Australian dollars, crossed "Not Negotiable" and made payable to "Aspermont Limited — Subscription Account" and lodged and received at any time after the issue of this Prospectus and on or before the Closing Date at the Company's Share Registry (by delivery or by post) at:

By delivery           Aspermont Limited  
613 Wellington Street  
Perth WA 6000

By Post               Aspermont Limited  
PO Box 78  
Leederville WA 6902

If you wish to pay via BPAY® you must follow the personalised instructions in your Entitlement and Acceptance Form. Make sure that you use the specific Biller Code and unique Customer Reference Number (CRN) on your personalised Entitlement and Acceptance Form. You do not need to return a completed Entitlement and Acceptance Form but are taken to have made the declarations in the Entitlement and Acceptance Form and the representations outlined below in section 4.9. If you have more than one shareholding of Shares and consequently receive more than one Entitlement and Acceptance Form, when taking up your Entitlement in respect of one of those Shareholdings only use the CRN specific to that Shareholding as set out in the applicable Entitlement and Acceptance Form. Do not use the same CRN for more than one of your Shareholdings. This can result in your Application Monies being applied to your Entitlement in respect of only one of your Shareholdings (with the result that any application in respect of your remaining Shareholdings will not be valid).

You should be aware that your own financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration when making payment. It is your responsibility to ensure that funds submitted through BPAY® are received by 4:00 pm (WST) on the Closing Date.

The Company shall not be responsible for any postal or delivery delays or delay in the receipt of the BPAY® payment.

#### **4.4 Selling all your Entitlement on ASX**

The Entitlements under the Offer are renounceable which means that all or part of an Eligible Shareholder's rights to subscribe for Shares under the Offer may be traded on ASX. If you wish to sell all of your Entitlement on ASX, provide instructions to your stockbroker regarding the Entitlement you wish to sell on ASX. Trading of Entitlements will commence on ASX on 12 August 2014 and will cease on 20 August 2014.

There is no guarantee that an Eligible Shareholder will be able to sell all or any part of their Entitlement on ASX or that any particular price will be paid for the Entitlements sold on ASX.

#### **4.5 Taking up a proportion of your Entitlement and selling the balance on ASX**

If you wish to take up only part of your Entitlement, complete the accompanying personalised Entitlement and Acceptance Form for the number of Shares you

wish to take up and follow the steps in section 4.3, or make a payment by BPAY in accordance with section 4.12.

Subsequently, provide instructions to your stockbroker regarding the proportion of your Entitlement you wish to sell on ASX.

#### **4.6 Taking up a proportion of your Entitlement and allowing the balance to lapse**

If you wish to take up only part of your Entitlement and allow the balance to lapse, complete the accompanying personalised Entitlement and Acceptance Form for the number of Shares you wish to take up and follow the steps in section 4.3. If you take no further action, the balance of your Entitlement will lapse and you will have forfeited any potential benefit to be gained from taking up or selling that part of your Entitlement.

#### **4.7 Selling all or a proportion of your Entitlement other than on ASX**

You may elect to transfer all or a proportion of your Entitlement to another person other than on ASX. If the purchaser of your Entitlement is an Ineligible Shareholder or a person that would be an Ineligible Shareholder if they were a registered holder of Shares, that purchaser will not be able to take up the Entitlement they have purchased.

If you are a shareholder on the issuer sponsored subregister and you wish to transfer all or a proportion of your Entitlement to another person other than on ASX, forward a completed standard renunciation and transfer form (obtainable from the Share Registry) and the applicable transferee's cheque for the Shares they wish to subscribe for payable to "Aspermont Limited - Subscription Account" and crossed "Not Negotiable" to the Share Registry (by delivery or by post at any time after the issue of this Prospectus and on or before the Closing Date) at the following address:

By delivery           Aspermont Limited  
613 Wellington Street  
Perth WA 6000

By Post               Aspermont Limited  
PO Box 78  
Leederville WA 6902

If you wish to transfer all or a proportion of your Entitlement to or from another person on the CHESS subregister you must engage your CHESS controlling participant (usually your stockbroker). If the transferee wants to exercise some or all of the Entitlement, you should follow your stockbroker's instructions as to the most appropriate way to take up the Entitlement on their behalf. The Application Monies for Shares the transferee of the Entitlement wants to acquire must be received by Share Registry in accordance with section 4.3.

#### **4.8 Allow all or part of your Entitlement to lapse**

Shareholders should be aware that their Entitlement may have value. Entitlement are renounceable, which enable Eligible Shareholders who do not wish to take up part or all of their Entitlement to seek to sell or trade all or some of their Entitlement on ASX.

If you do not wish to accept or trade any part of your Entitlement, you are not obliged to do anything. If you do not take up your Entitlement or dispose of your Entitlement by the Closing Date, the Offer to you will lapse.

#### **4.9 Implications of an acceptance**

Returning a completed Entitlement and Acceptance Form or paying any Application Monies by BPAY® will be taken to constitute a representation by you that:

- (a) you have received a copy of this Prospectus and the accompanying Entitlement and Acceptance Form, and read them both in their entirety;
- (b) you acknowledge that once the Entitlement and Acceptance Form is returned, or a BPAY® payment instruction is given in relation to any Application Monies, the application may not be varied or withdrawn except as required by law.

#### **4.10 Minimum subscription**

The minimum subscription in respect of the Offer is \$1,500,000. No shares will be issued until the minimum subscription has been received. If the minimum subscription is not achieved within 4 months after the date of issue of this Prospectus, the Company will either repay the Application monies to the Applicants or issue a supplementary prospectus or replacement prospectus and allow Applicants one month to withdraw their Application and be repaid their Application monies.

#### **4.11 Payment by cheque/bank draft**

All cheques must be drawn on an Australian bank or bank draft made payable in Australian currency to "Aspermont Limited – Entitlement Issue Account" and crossed "Not Negotiable".

Your completed Entitlement and Acceptance Form and cheque must reach the Company's share registry no later than 5:00 pm WST on the Closing Date.

#### **4.12 Payment by BPAY®**

For payment by BPAY®, please follow the instructions on the Entitlement and Acceptance Form. You can only make a payment via BPAY® if you are the holder of an account with an Australian financial institution that supports BPAY® transactions. Please note that should you choose to pay by BPAY®:

- (a) you do not need to submit the Entitlement and Acceptance Form but are taken to have made the declarations on that Entitlement and Acceptance Form; and
- (b) if you do not pay for your Entitlement in full, you are deemed to have taken up your Entitlement in respect of such whole number of Shares which is covered in full by your application monies.

**It is your responsibility to ensure that your BPAY® payment is received by the share registry by no later than 4:00 pm (WST) on the Closing Date. You should be aware that your financial institution may implement either cut-off times with regards to electronic payment and you should therefore take this into consideration when making payment.** Any application monies received for more than your final allocation of Shares (only where the amount is \$1.00 or

greater) will be refunded. No interest will be paid on any application monies received or refunded.

#### 4.13 Underwriting

The Offer is not underwritten.

#### 4.14 Effect on control of the Company and potential dilution to Shareholders

Mr Andrew Kent presently is a major shareholder of the Company and the extent to which shares are issued pursuant to the Offer may increase his voting power in the Company. Mr Andrew Kent is a related party of the Company by virtue of being a Director. Mr Andrew Kent's present relevant interest and changes under several scenarios are set out in the table below and are based on the assumption that he takes up his full entitlement of 116,925,000 Shares under each scenario.

Event	Shares held by Mr Andrew Kent	Voting power of Mr Andrew Kent
Date of Prospectus	116,925,000	48.98%
Completion of Entitlement Issue		
• Fully subscribed	233,850,000	48.98%
• 75% subscribed	233,850,000	56.00%
• 48.98% subscribed (being Mr Andrew Kent's Entitlement)	233,850,000	65.76%

The number of shares held by Mr Andrew Kent and his voting power in the table above show the potential effect on control of the Company of the Offer. However, it is unlikely that no Shareholders, other than Mr Andrew Kent, will take up entitlements under the Offer. The voting power of Mr Andrew Kent will reduce by a corresponding amount for the amount of Entitlements under the Offer taken up by the other Shareholders.

Shareholders should note that if they do not participate in the Offer, their holdings are likely to be diluted by approximately 50% (as compared to their holdings and number of Shares on issue as at the date of the Prospectus). Examples of how the dilution may impact Shareholders is set out in the table below:

Holder	Holding as at Record date	% at Record Date	Entitlements under the Offer	Holdings if Offer not taken Up	% post Offer
Shareholder 1	10,000,000	4.19%	10,000,000	10,000,000	2.09%
Shareholder 2	5,000,000	2.09%	5,000,000	5,000,000	1.05%
Shareholder 3	1,500,000	0.63%	1,500,000	1,500,000	0.31%
Shareholder 4	400,000	0.17%	400,000	400,000	0.08%
Shareholder 5	50,000	0.02%	50,000	50,000	0.01%
Total	238,710,493		238,710,493		477,420,986

Notes:

- The dilutionary effect shown in the table is the maximum percentage on the assumption that those Entitlements not accepted by Eligible Shareholders are

placed under the Shortfall Offer. In the event all Entitlements are not accepted and some or all of the resulting Shortfall was not subsequently placed, the dilution effect for each Shareholder not accepting their Entitlement would be a lesser percentage.

#### **4.15 Shortfall Offer**

Any Entitlement not taken up pursuant to the Offer will form the Shortfall Offer. The Shortfall Offer is a separate offer made pursuant to this Prospectus and will remain open for up to three months following the Closing Date. The issue price for each Share to be issued under the Shortfall Offer shall be \$0.01 being the price at which Shares have been offered under the Offer.

The Directors reserve the right to issue Shortfall Shares at their absolute discretion.

Shareholders and non-Shareholders who wish to subscribe for Shortfall Shares are invited to complete the Shortfall Application Form accompanying this Prospectus and return it to the Company together with a cheque for the value of the Shortfall Shares.

For the avoidance of doubt, Shareholders applying for Shortfall Shares are required to provide a separate cheque for the Shortfall Shares applied for. BPAY® is not available for applications made under the Shortfall Offer.

The Directors intend to give priority of the Shortfall to Shareholders (excluding related parties).

If the number of Shortfall Shares applied for exceeds the actual number of Shortfall Shares, applications will be scaled back at the absolute discretion of the Directors.

A Shareholder or non-Shareholder will not be entitled to any Shortfall Shares if the issue of those Shortfall Shares will result in their voting power in the Company exceeding 20%.

The Directors reserve the right to issue to an Applicant a lesser number of Shortfall Shares than the number for which the Applicant applies for on their Shortfall Application Form, or to reject an application, or to not proceed with placing the Shortfall.

#### **4.16 ASX listing**

Application for Official Quotation of the Shares offered pursuant to this Prospectus will be made in accordance with the timetable set out at the commencement of this Prospectus. If ASX does not grant Official Quotation of the Shares offered pursuant to this Prospectus before the expiration of 3 months after the date of issue of the Prospectus, (or such period as varied by the ASIC), the Company will not issue any Shares and will repay all Application Monies for the Shares within the time prescribed under the Corporations Act, without interest.

The fact that ASX may grant Official Quotation to the Shares is not to be taken in any way as an indication of the merits of the Company or the Shares now offered for subscription.

#### 4.17 Issue

Shares issued pursuant to the Offer will be issued in accordance with the ASX Listing Rules and timetable set out at the commencement of this Prospectus.

Shares issued pursuant to the Shortfall Offer will be issued on a progressive basis. Where the number of Shares issued is less than the number applied for, or where no issue is made, surplus Application Monies will be refunded without any interest to the Applicant as soon as practicable after the closing date of the Shortfall Offer.

Pending the issue of the Shares or payment of refunds pursuant to this Prospectus, all Application Monies will be held by the Company in trust for the Applicants in a separate bank account as required by the Corporations Act. The Company, however, will be entitled to retain all interest that accrues on the bank account and each Applicant waives the right to claim interest.

Holding statements for Shares issued under the Offer will be mailed in accordance with the ASX Listing Rules and timetable set out at the commencement of this Prospectus and for Shortfall Shares issued under the Shortfall Offer as soon as practicable after their issue.

#### 4.18 Overseas shareholders

This Offer does not, and is not intended to, constitute an offer in any place or jurisdiction in which, or to any person to whom, it would not be lawful to make such an offer or to issue this Prospectus. In particular, this document may not be distributed to any person, and the Shares may not be offered or sold, in any country outside Australia except to the extent permitted below.

It is not practicable for the Company to comply with the securities laws of overseas jurisdictions having regard to the number of overseas Shareholders, the number and value of Shares these Shareholders would be offered and the cost of complying with regulatory requirements in each relevant jurisdiction. Accordingly, the Offer is not being extended and Shares will not be issued to Shareholders with a registered address which is outside Australia, Canada, the United Kingdom, Monaco or New Zealand.

The Offer is being made in New Zealand pursuant to the Securities Act (Overseas Companies) Exemption Notice 2013.

However, pursuant to ASX Listing Rule 7.7, the Company has appointed a nominee, Patersons Securities Limited (**Patersons** or the **Nominee**), to sell the Entitlements to which Ineligible Shareholders are entitled. The nominee will have the absolute and sole discretion to determine the timing and price at which the Entitlements may be sold and the manner of any such sale.

Any interest earned on the proceeds of the sale of these Entitlements will firstly be applied against expenses of such sale, including brokerage, and any balance will accrue to the relevant Ineligible Shareholders as described below.

The net proceeds of the sale of these Entitlements will then be forwarded by the Company as soon as practicable to the Ineligible Shareholders, in proportion to their share of such Entitlements (after deducting brokerage commission and other expenses). If any such net proceeds of sale are less than the reasonable costs that would be incurred by the Company for distributing those proceeds, such proceeds may be retained by the Company.

The Company will pay the Nominee a fee of \$5,000 and a brokerage fee of 1% on the total gross dollar value of all Ineligible Shares sold.

Notwithstanding that the nominee may sell Entitlements, Ineligible Shareholders may nevertheless receive no net proceeds if the costs of the sale are greater than the sale proceeds.

Neither the Company nor the nominee will be subject to any liability for failure to sell the Entitlements or to sell them at a particular price. If, in the reasonable opinion of the nominee, there is no viable market for the Entitlements of the Ineligible Shareholders, or a surplus over the expenses of the sale cannot be obtained the Entitlements that would have been offered to the Ineligible Shareholders, then those Entitlements will be allowed to lapse.

Shareholders resident in Australia or New Zealand holding Shares on behalf of persons who are resident overseas are responsible for ensuring that taking up an Entitlement under the Offer does not breach regulations in the relevant overseas jurisdiction. Return of a duly completed Entitlement and Acceptance Form will be taken by the Company to constitute a representation that there has been no breach of those regulations.

#### **4.19 Canada (British Columbia, Ontario and Quebec provinces)**

This document constitutes an offering of New Shares only in the Provinces of British Columbia, Ontario and Quebec (the "Provinces") and to those persons to whom they may be lawfully distributed in the Provinces, and only by persons permitted to sell such New Shares. This document is not, and under no circumstances is to be construed as, an advertisement or a public offering of securities in the Provinces. This document may only be distributed in the Provinces to persons that are "accredited investors" within the meaning of NI 45-106 – *Prospectus and Registration Exemptions*, of the Canadian Securities Administrators.

No securities commission or similar authority in the Provinces has reviewed or in any way passed upon this document, the merits of the New Shares or the offering of New Shares and any representation to the contrary is an offence.

No prospectus has been, or will be, filed in the Provinces with respect to the offering of New Shares or the resale of such securities. Any person in the Provinces lawfully participating in the offer will not receive the information, legal rights or protections that would be afforded had a prospectus been filed and receipted by the securities regulator in the applicable Province. Furthermore, any resale of the New Shares in the Provinces must be made in accordance with applicable Canadian securities laws which may require resales to be made in accordance with exemptions from dealer registration and prospectus requirements. These resale restrictions may in some circumstances apply to resales of the New Shares outside Canada and, as a result, Canadian purchasers should seek legal advice prior to any resale of the New Shares.

The Company, and the directors and officers of the Company, may be located outside Canada, and as a result, it may not be possible for Canadian purchasers to effect service of process within Canada upon the Company or its directors or officers. All or a substantial portion of the assets of the Company and such persons may be located outside Canada, and as a result, it may not be possible to satisfy a judgment against the Company or such persons in Canada or to enforce a judgment obtained in Canadian courts against the Company or such persons outside Canada.

Any financial information contained in this document has been prepared in accordance with Australian Accounting Standards and also comply with International Financial Reporting Standards and interpretations issued by the International Accounting Standards Board. Unless stated otherwise, all dollar amounts contained in this document are in Australian dollars.

### ***Statutory rights of action for damages or rescission***

Securities legislation in certain of the Provinces may provide purchasers with, in addition to any other rights they may have at law, rights of rescission or to damages, or both, when an offering memorandum that is delivered to purchasers contains a misrepresentation. These rights and remedies must be exercised within prescribed time limits and are subject to the defenses contained in applicable securities legislation. Prospective purchasers should refer to the applicable provisions of the securities legislation of their respective Province for the particulars of these rights or consult with a legal adviser.

The following is a summary of the statutory rights of rescission or to damages, or both, available to purchasers in Ontario. In Ontario, every purchaser of the New Shares purchased pursuant to this document (other than (a) a "Canadian financial institution" or a "Schedule III bank" (each as defined in NI 45-106), (b) the Business Development Bank of Canada or (c) a subsidiary of any person referred to in (a) or (b) above, if the person owns all the voting securities of the subsidiary, except the voting securities required by law to be owned by the directors of that subsidiary) shall have a statutory right of action for damages and/or rescission against the Company if this document or any amendment thereto contains a misrepresentation. If a purchaser elects to exercise the right of action for rescission, the purchaser will have no right of action for damages against the Company. This right of action for rescission or damages is in addition to and without derogation from any other right the purchaser may have at law. In particular, Section 130.1 of the Securities Act (Ontario) provides that, if this document contains a misrepresentation, a purchaser who purchases the New Shares during the period of distribution shall be deemed to have relied on the misrepresentation if it was a misrepresentation at the time of purchase and has a right of action for damages or, alternatively, may elect to exercise a right of rescission against the Company, provided that (a) the Company will not be liable if it proves that the purchaser purchased the New Shares with knowledge of the misrepresentation; (b) in an action for damages, the Company is not liable for all or any portion of the damages that the Company proves does not represent the depreciation in value of the New Shares as a result of the misrepresentation relied upon; and (c) in no case shall the amount recoverable exceed the price at which the New Shares were offered.

Section 138 of the *Securities Act* (Ontario) provides that no action shall be commenced to enforce these rights more than (a) in the case of any action for rescission, 180 days after the date of the transaction that gave rise to the cause of action or (b) in the case of any action, other than an action for rescission, the earlier of (i) 180 days after the purchaser first had knowledge of the fact giving rise to the cause of action or (ii) three years after the date of the transaction that gave rise to the cause of action. These rights are in addition to and not in derogation from any other right the purchaser may have.

### ***Certain Canadian income tax considerations***

Prospective purchasers of the New Shares should consult their own tax adviser with respect to any taxes payable in connection with the acquisition, holding or disposition of the New Shares as any discussion of taxation related matters in this document is not a comprehensive description and there are a number of

substantive Canadian tax compliance requirements for investors in the Provinces.

### ***Language of documents in Canada***

Upon receipt of this document, each investor in Canada hereby confirms that it has expressly requested that all documents evidencing or relating in any way to the sale of the New Shares (including for greater certainty any purchase confirmation or any notice) be drawn up in the English language only. *Par la réception de ce document, chaque investisseur canadien confirme par les présentes qu'il a expressément exigé que tous les documents faisant foi ou se rapportant de quelque manière que ce soit à la vente des valeurs mobilières décrites aux présentes (incluant, pour plus de certitude, toute confirmation d'achat ou tout avis) soient rédigés en anglais seulement.*

## **6. RIGHTS AND LIABILITIES ATTACHING TO SHARES**

The following is a summary of the more significant rights and liabilities attaching to Shares being offered pursuant to this Prospectus. This summary is not exhaustive and does not constitute a definitive statement of the rights and liabilities of Shareholders. To obtain such a statement, persons should seek independent legal advice.

Full details of the rights and liabilities attaching to Shares are set out in the Constitution, a copy of which is available for inspection at the Company's registered office during normal business hours.

### **6.1 General meetings**

Shareholders are entitled to be present in person, or by proxy, attorney or representative to attend and vote at general meetings of the Company.

Shareholders may requisition meetings in accordance with section 249D of the Corporations Act and the Constitution of the Company.

### **6.2 Voting rights**

Subject to any rights or restrictions for the time being attached to any class or classes of shares, at general meetings of shareholders or classes of shareholders:

- (a) each Shareholder entitled to vote may vote in person or by proxy, attorney or representative;
- (b) on a show of hands, every person present who is a Shareholder or a proxy, attorney or representative of a Shareholder has one vote; and
- (c) on a poll, every person present who is a Shareholder or a proxy, attorney or representative of a Shareholder shall, in respect of each fully paid Share held by him, or in respect of which he is appointed a proxy, attorney or representative, have one vote for each Share held, but in respect of partly paid shares shall have such number of votes as bears the same proportion to the total of such Shares registered in the Shareholder's name as the amount paid (not credited) bears to the total amounts paid and payable (excluding amounts credited).

### **6.3 Dividend rights**

Subject to the rights of any preference Shareholders and to the rights of the holders of any shares created or raised under any special arrangement as to dividend, the Directors may from time to time declare a dividend to be paid to the Shareholders entitled to the dividend which shall be payable on all Shares according to the proportion that the amount paid (not credited) is of the total amounts paid and payable (excluding amounts credited) in respect of such Shares.

The Directors may from time to time pay to the Shareholders any interim dividends as they may determine. No dividend shall carry interest as against the Company. The Directors may set aside out of the profits of the Company any amounts that they may determine as reserves, to be applied at the discretion of the Directors, for any purpose for which the profits of the Company may be properly applied.

Subject to the ASX Listing Rules and the Corporations Act, the Company may, by resolution of the Directors, implement a dividend reinvestment plan on such terms and conditions as the Directors think fit and which provides for any dividend which the Directors may declare from time to time payable on Shares which are participating Shares in the dividend reinvestment plan, less any amount which the Company shall either pursuant to the Constitution or any law be entitled or obliged to retain, be applied by the Company to the payment of the subscription price of Shares.

#### **6.4 Winding-up**

If the Company is wound up, the liquidator may, with the authority of a special resolution, divide among the Shareholders in kind the whole or any part of the property of the Company, and may for that purpose set such value as he considers fair upon any property to be so divided, and may determine how the division is to be carried out as between the Shareholders or different classes of Shareholders.

The liquidator may, with the authority of a special resolution, vest the whole or any part of any such property in trustees upon such trusts for the benefit of the contributories as the liquidator thinks fit, but so that no Shareholder is compelled to accept any shares or other securities in respect of which there is any liability.

#### **6.5 Shareholder liability**

As the Shares issued will be fully paid shares, they will not be subject to any calls for money by the Directors and will therefore not become liable for forfeiture.

#### **6.6 Transfer of shares**

Generally, shares in the Company are freely transferable, subject to formal requirements, the registration of the transfer not resulting in a contravention of or failure to observe the provisions of a law of Australia and the transfer not being in breach of the Corporations Act and the ASX Listing Rules.

#### **6.7 Future increase in capital**

The issue of any new Shares is under the control of the Directors of the Company. Subject to restrictions on the issue or grant of Securities contained in the ASX Listing Rules, the Constitution and the Corporations Act (and without affecting any special right previously conferred on the holder of an existing share or class of shares), the Directors may issue Shares as they shall, in their absolute discretion, determine.

#### **6.8 Variation of rights**

Under section 246B of the Corporations Act, the Company may, with the sanction of a special resolution passed at a meeting of Shareholders vary or abrogate the rights attaching to shares.

If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class), whether or not the Company is being wound up, may be varied or abrogated with the consent in writing of the holders of three quarters of the issued shares of that class, or if authorised by a special resolution passed at a separate meeting of the holders of the shares of that class.

## **6.9 Alteration of constitution**

In accordance with the Corporations Act, the Constitution can only be amended by a special resolution passed by at least three quarters of Shareholders present and voting at the general meeting. In addition, at least 28 days written notice specifying the intention to propose the resolution as a special resolution must be given.

## 7. RISK FACTORS

### 7.1 Introduction

The Shares offered under this Prospectus are considered highly speculative. An investment in the Company is not risk free and the Directors strongly recommend potential investors to consider the risk factors described below, together with information contained elsewhere in this Prospectus and to consult their professional advisers before deciding whether to apply for Shares pursuant to this Prospectus.

There are specific risks which relate directly to the Company's business. In addition, there are other general risks, many of which are largely beyond the control of the Company and the Directors. The risks identified in this section, or other risk factors, may have a material impact on the financial performance of the Company and the market price of the Shares.

The following is not intended to be an exhaustive list of the risk factors to which the Company is exposed.

### 7.2 Company specific

#### (a) Potential for significant dilution

Upon implementation of the Offer, assuming all Entitlements are accepted and no Options are exercised prior to the Record Date the number of Shares in the Company will increase from 238,710,493 currently on issue to 477,420,986. This means that each Share will represent a significantly lower proportion of the ownership of the Company.

It is not possible to predict what the value of the Company or a Share will be following the completion of the Offer being implemented and the Directors do not make any representation as to such matters.

The last trading price of Shares on ASX prior to the prospectus being lodged of \$0.056 is not a reliable indicator as to the potential trading price of Shares after implementation of the Proposed Transaction.

#### (b) Going concern risk - current status of the loan facility with the ANZ

The Company's external party loan is with the Australian and New Zealand Banking Corporation ("ANZ") and is secured by registered company charges and fixed and floating charges over the assets of the consolidated entity. The terms of the current facility expire on 30 June 2015.

At the current time the Company is in breach of the financial covenants of the facility for the calculation of the Debt to EBITDA (earnings before interest, taxes, depreciation and amortisation), ratio and the minimum EBITDA on a year to date basis. In addition, the company is in arrears on \$180,000 of scheduled principal payments representing three months payments.

The Company is in regular communications with ANZ to rectify the arrears and negotiate a revised facility. The bank is supportive of the Company's capital raising activities. In the event that the Company was unsuccessful in these negotiations then the bank could require

settlement of the entire principal loan balance of \$3,125,000 plus accrued fees and interest.

As indicated in the use of proceeds table in section 5.1 of this Prospectus, the Company proposes to use a portion of the proceeds to reduce the loan amount with the ANZ. The Directors believe there are no matters existing to indicate that the Company will be unable to successfully negotiate a new facility.

The Directors believe that upon the successful completion of the Offer, the Company will have sufficient funds to adequately meet the Company's current commitments and short term working capital requirements. However, it is highly likely that further funding will be required to meet the medium to long term working capital costs of the Company. Please refer to Section 7.3(c) below for further details.

In the event that the Offer is not completed successfully there is significant uncertainty as to whether the Company can continue as a going concern, and which is likely to have a material adverse effect on the Company's activities. In this circumstance, the Company will need to consider all of its alternative capital raising options to meet its financial obligations.

(c) **The Media Industry is currently undergoing a transition from print and online publication to new digital publications**

The Company continues the transition of reallocating resources from existing print and online audiences to digital audiences that include digitally produced magazines, webinars, social networks and mobile devices. The speed and depth of this transition in the marketplace is difficult to predict and the Company faces risks relating to the timing and scale of the required investments measured against the revenues predicted from these new media channels.

(d) **The Company is largely dependent on the Mining Industry for the majority of its revenues**

The Company receives a significant majority of its revenues from media and event revenues focused on the mining and resource industries. With the rapid decline of commodity prices in recent years as well as the completion of many significant resource investment projects, particularly in Australia, these industries have contracted their discretionary spending. These decisions have affected our revenues for subscriptions, advertising and industry event participation in the mining and resource industries.

(e) **Retention of existing clients**

An important factor in the Company's success is its ability to maintain its existing relationships with clients. This will depend upon a number of factors including the Company's ability to attract users to its websites. Additionally, the Company's success will depend in part upon its ability to react to technological advances and emerging industry standards in a timely manner. If the Company does not maintain the ease of use of its websites and search engines and the functionality of its websites to attract users, it may not retain its existing customers.

(f) **Competition risk**

The industry in which the Company is involved is subject to domestic and global competition. Although the Company will undertake all reasonable due diligence in its business decisions and operations, the Company will have no influence or control over the activities or actions of its competitors, which activities or actions may, positively or negatively, affect the operating and financial performance of the Company's projects and business.

### 7.3 General risks

(a) **Economic**

General economic conditions, movements in interest and inflation rates and currency exchange rates may have an adverse effect on the Company's exploration, development and production activities, as well as on its ability to fund those activities.

(b) **Market conditions**

Share market conditions may affect the value of the Company's quoted securities regardless of the Company's operating performance. Share market conditions are affected by many factors such as:

- general economic outlook;
- introduction of tax reform or other new legislation;
- interest rates and inflation rates;
- changes in investor sentiment toward particular market sectors;
- the demand for, and supply of, capital; and
- terrorism or other hostilities.

The market price of securities can fall as well as rise and may be subject to varied and unpredictable influences on the market for equities in general and resource exploration stocks in particular. Neither the Company nor the Directors warrant the future performance of the Company or any return on an investment in the Company.

(c) **Additional requirements for capital**

The Company's capital requirements depend on numerous factors. Depending on the Company's ability to generate income from its operations, the Company may require further financing in addition to amounts raised under the Offer. Any additional equity financing will dilute shareholdings, and debt financing, if available, may involve restrictions on financing and operating activities. If the Company is unable to obtain additional financing as needed, it may be required to reduce the scope of its operations and scale back its exploration programmes as the case may be. There is however no guarantee that the Company will be able to secure any additional funding or be able to secure funding on terms favourable to the Company.

(d) **Dividends**

Any future determination as to the payment of dividends by the Company will be at the discretion of the Directors and will depend on the financial condition of the Company, future capital requirements and general business and other factors considered relevant by the Directors. No assurance in relation to the payment of dividends or franking credits attaching to dividends can be given by the Company.

(e) **Taxation**

The acquisition and disposal of Shares will have tax consequences, which will differ depending on the individual financial affairs of each investor. All potential investors in the Company are urged to obtain independent financial advice about the consequences of acquiring Shares from a taxation viewpoint and generally.

To the maximum extent permitted by law, the Company, its officers and each of their respective advisors accept no liability and responsibility with respect to the taxation consequences of subscribing for Shares under this Prospectus.

(f) **Reliance on key personnel**

The responsibility of overseeing the day-to-day operations and the strategic management of the Company depends substantially on its senior management and its key personnel. There can be no assurance given that there will be no detrimental impact on the Company if one or more of these employees cease their employment.

#### **7.4 Speculative investment**

The above list of risk factors ought not to be taken as exhaustive of the risks faced by the Company or by investors in the Company. The above factors, and others not specifically referred to above, may in the future materially affect the financial performance of the Company and the value of the Shares offered under this Prospectus.

Therefore, the Shares to be issued pursuant to this Prospectus carry no guarantee with respect to the payment of dividends, returns of capital or the market value of those Shares.

Potential investors should consider that the investment in the Company is speculative and should consult their professional advisers before deciding whether to apply for Shares pursuant to this Prospectus.

Information that is already in the public domain has not been reported in this Prospectus other than that which is considered necessary to make this Prospectus complete.

The total maximum remuneration of non-executive Directors is initially set by the Constitution and subsequent variation is by ordinary resolution of Shareholders in general meeting in accordance with the Constitution, the Corporations Act and the ASX Listing Rules, as applicable. The determination of non-executive Directors' remuneration within that maximum will be made by the Board having regard to the inputs and value to the Company of the respective contributions by each non-executive Director. The current amount has been set at an amount not to exceed \$265,000 per annum.

A Director may be paid fees or other amounts (i.e. non-cash performance incentives such as Options, subject to any necessary Shareholder approval) as the other Directors determine where a Director performs special duties or otherwise performs services outside the scope of the ordinary duties of a Director. In addition, Directors are also entitled to be paid reasonable travelling, hotel and other expenses incurred by them respectively in or about the performance of their duties as Directors.

## **8.8 Electronic prospectus**

If you have received this Prospectus as an electronic Prospectus, please ensure that you have received the entire Prospectus accompanied by the Application Forms. If you have not, please phone the Company on +61 8 6263 9100 and the Company will send you, for free, either a hard copy or a further electronic copy of the Prospectus, or both. Alternatively, you may obtain a copy of this Prospectus from the Company's website at [www.aspermont.com](http://www.aspermont.com).

The Company reserves the right not to accept an Application Form from a person if it has reason to believe that when that person was given access to the electronic Application Form, it was not provided together with the electronic Prospectus and any relevant supplementary or replacement prospectus or any of those documents were incomplete or altered.

## **8.9 Financial forecasts**

The Directors have considered the matters set out in ASIC Regulatory Guide 170 and believe that they do not have a reasonable basis to forecast future earnings on the basis that the operations of the Company are inherently uncertain. Accordingly, any forecast or projection information would contain such a broad range of potential outcomes and possibilities that it is not possible to prepare a reliable best estimate forecast or projection.

## **8.10 Clearing House Electronic Sub-Register System (CHES) and Issuer Sponsorship**

The Company will not be issuing option certificates. The Company is a participant in CHES, for those investors who have, or wish to have, a sponsoring stockbroker. Investors who do not wish to participate through CHES will be

issuer sponsored by the Company. Because the sub-registers are electronic, ownership of securities can be transferred without having to rely upon paper documentation.

Electronic registers mean that the Company will not be issuing certificates to investors. Instead, investors will be provided with a statement (similar to a bank account statement) that sets out the number of Shares issued to them under this Prospectus. The notice will also advise holders of their Holder Identification Number or Security Holder Reference Number and explain, for future reference, the sale and purchase procedures under CHESS and issuer sponsorship.

Further monthly statements will be provided to holders if there have been any changes in their security holding in the Company during the preceding month.

## **8.11 Privacy Act**

If you complete an application for Shares, you will be providing personal information to the Company (directly or by the Company's share registry). The Company collects, holds and will use that information to assess your application, service your needs as a holder of equity securities in the Company, facilitate distribution payments and corporate communications to you as a Shareholder and carry out administration.

The information may also be used from time to time and disclosed to persons inspecting the register, bidders for your securities in the context of takeovers, regulatory bodies, including the Australian Taxation Office, authorised securities brokers, print service providers, mail houses and the Company's share registry.

You can access, correct and update the personal information that we hold about you. Please contact the Company or its share registry if you wish to do so at the relevant contact numbers set out in this Prospectus.

Collection, maintenance and disclosure of certain personal information is governed by legislation including the Privacy Act 1988 (Cth) (as amended), the Corporations Act and certain rules such as the ASX Settlement Operating Rules. You should note that if you do not provide the information required on the application for Shares, the Company may not be able to accept or process your application.
